## **Ogden Outreach Awards**

### Ambassador Award (undergraduate and postgraduate)

- 1. Tell us about the nominated ambassador and describe the roles they have undertaken as an ambassador.**  
Who is the ambassador?  
How long have they been in the role?  
What types of activities have they undertaken to support physics outreach and public engagement?
- 2. Demonstrations of excellence**  
In what ways have they demonstrated excellence in this/these roles?
- 3. Provide any relevant quotes about the nominee and the activities they have delivered from yourself, other colleagues and/or participants?**

Nominations can be made through Microsoft Forms at <https://forms.office.com/e/BZcS2sxUyz> for undergraduates and <https://forms.office.com/e/FbbHeSEg5L> for postgraduates. There is a maximum of one nomination in each category from each institution.

Please send any relevant materials supportive of the nomination to [outreach@ogdentrust.com](mailto:outreach@ogdentrust.com). We may contact nominators for additional information where needed.
